D.O. No. G-20011/1/2008-NREGA

Dated: 8th July, 2008

Dear

Planning of works to meet employment demand under NREGA is detailed in Chapter 4 of the Operational Guidelines. Shelf of projects for this purpose should be available with administrative technical sanctions in advance by December of every year preceding the proposed implementation.

In order to facilitate fund flow system under NREGA, fund release from the Ministry of Rural Development has been linked to the district Labour Budgets. The procedure to be followed for preparation of Labour Budget is detailed in Chapter 8 of the Operational Guidelines. The proforma for preparation of Labour Budget is given in Annexure B-15 of the Operational Guidelines. Annexure B-15 (ii) seeks the consolidated district-wise information on the shelf of projects to meet the employment demand in a district. It has however been noted that the Labour Budgets submitted by the districts of your State did not contain this information.

It is, therefore, requested that the information as per the requirement of Annexure B-15 (ii) of the Operational Guidelines of NREGA may immediately be sent to this Ministry for prompt consideration of fund release under NREGA to your State based on district proposals being received in this Ministry.

Regards,

Yours sincerely,
